7:00 p.m.

Thomas F. Parker Auditorium, Greenville County Library

Bruce Price

GENETIC GENEALOGY: FOCUSING ON AN AREA

Bruce Price has been active in genealogical research since he retired from the Air Force in 1993. He was a volunteer at the Denver Family History Center, has taught several classes at the Denver Public Library, and will be teaching at the Greenville Family History Center. He has written several genealogy books and has several more to come. He believes in finding all records for a small area, which taken together can give you the bigger picture. He will be speaking on this method of genealogical research, using his own search for his grandfather's family in Tennessee as examples.

Send us your queries, which will be printed as space permits. You can mail them to the above address, or e-mail them to the editor at bamona@aol.com. You can also post them on the Chapter's website at www.greenvillegenealogy.org. We hope you will also visit the site to read the news and give us your suggestions.

South Carolina Genealogical Society pins are available from the Greenville Chapter for \$4.00, postage included. They can be purchased at the meeting or by mail at the address below.

Would anyone volunteer their time to index records for publication by the Chapter? Call 242-5000 ext. 269.

Welcome to new member Sybil Wilson.
