## Dr. Bruce Pruitt

### *Equity Court Records*

Dr. Bruce Pruitt, whose father and paternal ancestors were from Anderson County, S.C., was born in Mississippi, but was reared in Rutherford and Gaston Counties, N.C. Bruce received degrees in physics from Presbyterian College and Clemson University. He began his genealogical work because of a direct order from his Mama in the Summer of 1968. The first organized genealogy group he joined was the Greenville Chapter of the SCGS in 1975. He is also a member of the National Genealogical Society and the North Carolina Genealogical Society. He has received two awards from NCGS: "Best Book" in 1988 for his first volume on the Glasgow land fraud, and another in 1995 for "contribution to the society" for publishing a great number of books. Bruce is a past president of SCGS, and currently the editor of the Greenville Chapter Journal, SCGS. Bruce began writing and self publishing books based on public records in 1987. That work has included work on 27 deed books from Anson County, 21 deed books from Lincoln County, 11 deed books from Guilford County, 8 deed books from New Hanover County [all in North Carolina], 3 deed books from Craven County, 19 deed books from Spartanburg County, 9 deed books from Greenville County, abstracts of 4,900 plats in South Carolina, and enough other books for a total of 108 books about records in North Carolina, South Carolina, and Tennessee. His hefty Spartanburg Co. SC Deeds 1785-1827 (793 pages + index) has recently been reprinted by Southern Historical Press. All of his other books are available from him. All of his books are well indexed. He has also abstracted about 80,000 land entries in North Carolina or about 80% of the surviving entries for the period 1778-1795. He has also published about 15,000 land warrants in North Carolina and about 10,000 entries in Tennessee.

## **Message from your acting President, Bob Frieler**

Dear Members,

Welcome back from summer vacation. I hope everyone had an enjoyable summer.

For those of you who were not aware, our President, Dr. Charles Latimer, decided to resign earlier this year due to health problems. He seems to be enjoying his retirement though. He and his wife, Alice, have just returned from two months in England. I will be assuming the duties of the office at least until the end of this year. And, depending on the slate of officers for 2005 our nominating committee comes up with; I may be doing it next year too.

I would like to emphasize the note in this Newsletter regarding the change in our meeting time. We will now need to start our meetings at 6:30PM instead of 7:00PM. Library security has requested that we vacate our meeting room by 8:45PM; so we will be wrapping up our meetings starting at 8:30PM.

What was your purpose for joining the Greenville genealogical society? What did you feel would be your benefits from this association? We, the officers and board members of your Chapter, want to do everything we can to ensure that you are receiving the benefits from this organization that you intended when you joined. But, we can't do it alone. We need your input. We need to know what you expect. What programs would you like? What speakers would you like to hear? I have created a form for this Newsletter that will help answer our questions. Please complete the form and return it to me, either by email or to the Chapters' address. We hope to hear from both our local and remote members.

We are in need of volunteers to help with the positions we still have open and with working on committees, etc. We may come to you and ask if you are willing to fill a position. The form I created in this Newsletter asks questions to help us determine your qualifications for certain jobs or positions. We have created "Job Descriptions/procedures" for each opening to help anyone decide if they want to volunteer and we will also provide the training. One position that desperately needs to be filled is that of "Newsletter Editor".

We have received requests from some of our members to learn what surnames other members are researching. This can provide them with new information to help them with the surnames they are researching. To respond to these requests, we are re-establishing a process that was stopped last year. We will be publishing, in the Newsletter, surnames that are sent to us by you. Many surnames were received and published in the Newsletters from our earlier program. We will publish all of these surnames from this previous program in our next Journal. We ask that you begin sending us your research list and we will publish in the next monthly Newsletter. Also, include your email address (unless you object to it being published). No need for anyone who has previously participated in this program to send us his or her surnames. Check the next Journal. If your surnames researched were not listed, we would welcome it from you.

Our website, [www.greenvillegenealogy.org](http://www.greenvillegenealogy.org), was down from July 17<sup>th</sup> until August 10<sup>th</sup>. It is up and running again and we welcome you to check it out. We also welcome any suggestions you may have so that we may make it the best website possible.

### **2005 Dues – Important Notice**

The State Genealogy Society is raising the 2005 dues \$1.00 to cover their increasing costs. Accordingly we will have to raise the Greenville Chapter 2005 dues to cover the additional amount we will have to pay the State. Although 2005 dues won't have to be paid until January; you can begin sending them in at any time between now and then. An individual membership will now be \$21.00 and a family membership will be \$26.00. Price for associate membership will be unchanged, since the increase will be paid to your primary chapter. We will be amending our by-laws to reflect this increase.

## **Greenville Chapter South Carolina Genealogical Society Minutes of Chapter Meeting June 3, 2004**

The meeting of the Greenville Chapter of the SCGS was called to order at 7pm by vice president Bob Frieler. He welcomed the members and guest attending and introduced the speaker, John Andrews, the President of the SCGS. John presented a program on "Breaking Down Genealogical Brick Walls".

Following the program a brief business meeting was held. The minutes of the last month's meeting were read and approved as read.

The Treasure's report was given by John Ice and attached to the minutes.

Because of a change in the procedures of closing the Library it was agreed to start the meetings at 6:30 p.m.

Suzanne Case reported that the brochures (Greenville Driving Tour) were available at \$1 each and that Heritage Quest is available on the SC Room's computer. It includes PERSI and can only be searched in the Library. She also reported on the Consortium meeting and a questionnaire is to come out to see if we want to participate in the April 2005, Humanities Festival.

The next meeting of the Chapter will be on Sept. 2, 2004 at 6:30 pm.

The meeting was adjourned at 8:10pm for fellowship and refreshments furnished by Terry Knorr.
